18th July, 2021
Sixteenth Sunday in Ordinary Time.

Hi all,
I hope you are all doing well and avoiding contact with Covid-19. It's sad and worrying to see the number of infections sliding up again despite all the efforts at vaccinations and other measures.
On a more positive note, we are very blessed to have a Pipe Organ in each of our three churches. They may be on the smaller side in comparison to the bigger ones that are out there but they are proportionate to the size of our churches. They function very well and play very beautifully. We are blessed to have three good organists, one is retired. I am very grateful for their presence and availability. If anyone would like to have "a go" on the organs I'm sure the organists would only be too happy to oblige someone to help learn a new skill. There are lots of clips on You Tube of very beautiful music being played, old and modern on Pipe/Church organs. The organs in Johnstown and Toames are about 160 years old and the one in Cooldorrihy is somewhat newer. Everyone is welcome to try them.
We are back to normal services this weekend and for the next few weeks.
Regards and blessings to all.
Pat.
