During the month of November, we remember all those who have died. We remember the lessons we have learnt from them and the talents we have inherited from them. We remember how we loved them and how they loved us and made us what we are today. We remember their good deeds and determine to be more like them, and finally we pray for those who have died alone with no one to remember or pray for them.
We encourage everyone to make a special effort to come to daily Mass during the Novena
for the Dead and maybe even keep up the effort for the mont h of November.
